

Calling all OUTSTANDING CHILDREN!

Does a child you know make a difference in the community? Or, how does a child you know want to make their mark on the world? We are excited to announce the Boo Squad is hosting its First Annual 10 Under 15 Awards. The 10 Under 15 Awards recognize outstanding children under the age of 15 that are champions in their community or have a vision to make an impact in their community.

The Boo Squad is a group for children ages 3-10 with a goal to actively volunteer and educate other kids within their local communities about being compassionate and understanding of others with differences. The Boo Squad has volunteered and donated to many organizations in the Mahoning Valley including Akron Children's Hospital, The Beatitude House, The Golden String, The Paisley House, Park Vista, Making Kids Count, Go Baby Go, The Rescue Mission, The Community Kitchen, and others, including helping many local families in a number of capacities.

The 10 Under 15 Awards has two categories to enter a child:

The Community Champion Award

The Community Champion Award recognizes children who currently volunteer in their community and are making a difference.

The Visionary Award

The Visionary Award recognizes children who have a vision of how they want to make a difference in their community.

Children must be 15 years of age or under by November 1, 2018, to enter. Awards will be given in various age categories. Children may apply for both awards. Applications are due by May 20, 2018. Ten total winners will be honored, five (5) from each category, at the Boo Squad's 10 Under 15 Event at The Embassy in Struthers on October 24, 2018. One winner from each category will be selected. The winner of The Community Champion Award will receive a monetary donation toward the cause of their choice. The Visionary Award recipient's vision will be the Boo Squad's next mission, in which the winning child will get to be The Ambassador. Best of luck to all applicants! The Boo Squad is looking forward to your submissions!
